

May 3, 2016

Greetings,

It's time to register for summer tennis!

There will be two women's leagues:

- Tuesday morning at 8:45 am beginning May 24 and ending August 9
- Thursday evening at 7:00 pm beginning May 26 and ending August 11

Both leagues will play doubles with partners assigned by the league directors based on winning percentage.

Enclosed is a registration form. **Registration Deadline is May 20.** Please keep the top portion as a reminder of league starting and ending dates. The bottom half, along with the league fees, may be turned in at the YMCA or sent to Lori Hannan at 988 County Rd S, Fremont NE 68025. Extra registration forms will be at the YMCA. Feel free to copy these forms and encourage all the tennis players you know to join our league.

Please include your e-mail address if you have one. You will be notified of any cancellations by e-mail. Those not having e-mail addresses will be called. Do not assume we are not playing. Check your e-mail or call a director if in doubt.

If you know you cannot play on certain dates, please list those dates on the bottom of the registration form. You may not have to get a sub. If you cannot play the first week of league, the directors will find a sub for you if you list that date on the bottom of the registration form. The rest of the time you are to find your own sub and report that sub to your director. Sub lists will be available when league play begins.

Please call or e-mail me with any questions:

Hope to see you on the courts this summer!
